CREW

Crew members who work on a fishing vessel have responsibilities under the Occupational Health and Safety Act

Do you know your health and safety responsibilities?

- **Know** and **follow** health and safety requirements affecting your job.
- **Work safely** and **encourage** other crew members to do the same.
- **Correct** and **immediately report** unsafe conditions to the Captain.
- **Always wear** required personal protective equipment.
- **Cooperate** with your Captain, crew members and safety officials to ensure a safe working environment.
